**How to take a Quiz**

To access a quiz go to the week it was created and click on the link.

Before attempting a quiz read the instructions carefully. It will let you know the time limit of the quiz, how many attempts you will have, how many points it will be worth, when the quiz will close.

If you want to start the quiz then click on the **Attempt the quiz** button.

Answer the questions and when you are done click on **Submit all and finish** button to submit your quiz for grading.
